UNFINISHED BUSINESS:

Resolution No. 15-1005, authorizing the purchase of a used 2012 Ditch Witch FX30 Vactor Trailer from Vimar Equipment

Public Works Director Boettcher reported this expense and equipment purchase is to support activities in the stormwater utility and will reduce their yearly expenditures. However, it will also be useful for other operations that can benefit the streets, water, and sewer. He noted staff searching for used equipment that would meet their needs and the equipment they found has 68 hours of use on it. A new machine would cost $65,656, so it would be $11,000 more to buy new and recommends that Council approve this purchase.

A motion was made by Councilmember Edelman and seconded by Councilmember Deady to adopt Resolution No. 15-1005, authorizing the purchase of a used 2012 Ditch Witch FX30 Vactor Trailer from Vimar Equipment. Motion passed with all voting in favor (3-0).

NEW BUSINESS:

Resolution No. 15-1006, reauthorizing investment of the City of Black Diamond’s monies in the Local Government Investment Pool (LGIP)
Finance Director Miller reported that every time a new Mayor comes on board, new forms must be filled out so the City can invest money in the State of Washington’s Local Government Investment Pool (LGIP) she noted the Finance Committee has recommended approval.

A motion was made by Councilmember Taylor and seconded by Councilmember Edelman to adopt Resolution No. 15-1006, reauthorizing investment of the City of Black Diamond’s monies in the Local Government Investment Pool (LGIP). Motion passed with all voting in favor (3-0).

Resolution No. 15-1007, executing a Grant Agreement with King County Department of Community and Human Services, Housing and Community Development for the Downtown AC Water Main Replacement and Looping Project

Public Works Director Boettcher reported that this has been a long time coming as the grant was awarded almost a year ago. This project will replace existing asbestos concrete water main on Lawson Street, Baker Street and install new ductile iron water main on First Avenue south of Baker Street to loop water main and increase fire flow and water quality in the downtown area. The project will also replace corroded iron pipe on Railroad Avenue and loop PVC pipe between Railroad Avenue and Miner Street to improve water pressure and water quality. The overall budget for his project is $250,000 - $225,000 from CDBG Grant and $25,000 from City REET funds. He also noted that the Public Works Committee has reviewed and they recommend approval.

A motion was made by Councilmember Deady and seconded by Councilmember Taylor to adopt Resolution No. 15-1007, executing a Grant Agreement with King County Department of Community and Human Services, Housing and Community Development for the Downtown AC Water Main Replacement and Looping Project. Motion passed with all voting in favor (3-0).
